## Provincial Tryouts & Regional Evaluations

Please see the sidebar for dates, times and locations for our Fall Tryouts for RAB Provincial teams (Petite Provincial, Tween A & AA, and Belle A & AA), and the Regional Evaluations for Novice B, Petite B and Tween B.

- Independent evaluators will be on hand to assess the players' abilities while they are put through a set of ringette drills by their division coaches.
- Players need to attend at least one evaluation session, but it is highly recommended they attend all tryouts and or evaluations in their division.
- ALL evaluation sessions for their age division are used to assist the team formation process. If attendance is not possible, please contact your Divisional Convener.

Once the evaluations/tryouts have been completed, the Conveners will meet to assign players to appropriate teams. In making the player assignments, the Committee will take into account information from the evaluators, coaches as well as input made through the player evaluation report cards, RAB executive and from players/parents.

In this regard, if you have any information or a special request that you would like the Conveners Committee to take into account in placing your player (*ie play-up request/play-down request*), please submit the information/request in writing to your Divisional Convener no later than **Sunday, September 3rd, 2006**. Please note that players making special requests to play out of their normal age division must attend the evaluation session for their normal age division AND the evaluation session for the age division they are requesting to play in (if it is being offered). Although the Conveners Committee will try their best to accommodate any special requests, we cannot guarantee that we will be able to do so in all cases.

\* Please note that Player requests to play up or down are only granted for a one year term.

Once the teams have been formed, a team list will be provided to each head coach. Your head coach will contact you before the end of September to welcome you to the team and let you know when your first team practice will be.

## Bur Bear Tournament

Mark your Calendars! The 13<sup>th</sup> Annual **Bur Bear Tournament** is the weekend of January 19<sup>th</sup> – 21<sup>st</sup>, 2007.

We will be looking forward to all RAB players participating in this tournament and all players/families providing a minimum of 3 hours of volunteer time to help facilitate the tournament and keep costs low for our teams. The tournament is our major fundraiser and it takes the hands of many to make it a great success!

### Can you donate an item for our raffle table at Bur Bear?

( can be a sponsored or logo'd item, a new item you don't need/want or a recycled gift )

## Sponsorship Opportunities

Each season, local companies help RAB keep pace with the growing numbers who love to play ringette. Sponsorship fees help reduce the operating costs, allowing RAB to offer the lowest possible registration fees to our members.

Please contact Carolin at [carolin@belldistributors.com](mailto:carolin@belldistributors.com) to learn more about this great opportunity!

### Team Sponsorship includes:

Company name on team jerseys, Company name, logo and active link on RAB website, Recognition in our newsletter(s).
